Kelly's Directory of Merchants, Manufacturers and Shippers of the World

AN EXPORT AND IMPORT GUIDE

Contains lists of Importers, Exporters, and Manufacturers, together with kindred trades, throughout the world.

Kelly's Customs Tariffs of the World

A Companion Volume to the Directory

Contains the Tariffs of the whole world, with various information connected therewith, is printed in the English language and carefully arranged by the Publishers for quick and easy reference.

As Buying and Selling Guides for Exporters and Importers these publications have been widely used and highly esteemed throughout the world since 1878. All houses wishing to establish, maintain, or handle Export and Import Trade should use them.

As an Advertising Medium they are excellent, the paid circulation being very large and distributed in every part of the world; first class results are invariably obtained.

Directories of every description and other Works of Reference covering England, Scotland, Ireland and Wales

Directories of South Africa, Australian States and New Zealand
